[Storm Debris Pick-up Status Map is online](#)

Sarasota County has developed an interactive tool to show residents the collection schedule for Hurricane Irma debris.

Visit the [county's storm debris pick-up map](#) and enter your address into the search bar to see when you can tentatively expect pick-up in your neighborhood.

The [debris pick-up status map](#) will be updated daily.

**Questions about storm debris removal?
Call 855-866-5654
(Storm debris hotline for residents
of unincorporated Sarasota County)**
